

The following Federal Acquisition Regulation (“FAR”) and Defense Federal Acquisition Regulation clauses are incorporated by reference to the extent indicated below. These clauses set forth Seller’s minimum obligations and do not diminish any Seller obligations set forth elsewhere in the Subcontract. For purposes of this introductory paragraph and the headings below, the term Subcontract shall include any agreement between Magellan Federal and Seller, to include Subcontracts, Task Orders, Purchase Orders, Basic Ordering Agreements. The effective version of each clause shall be the version that applies to Magellan Federal under its prime contract or higher-tier subcontract. In all cases, the clauses shall be interpreted to apply to Seller as necessary to reflect the position of Seller as a subcontractor to Magellan Federal, to ensure Seller’s obligations to Magellan Federal, and to enable Magellan Federal to meet its obligations to its customer. Without limiting the foregoing: (1) unless the context of the clause or applicable law requires otherwise, the term “Contractor” shall mean Seller, the term “Contract” shall mean the Subcontract as that term is defined above, the term “Subcontractor” shall mean Seller’s subcontractor, and the terms “Government,” “Contracting Officer” and equivalent phrases shall mean Magellan Federal and Magellan Federal Contractual Representative, respectively; (2) the words “Government” and “Contracting Officer” do not change when a right, act, authorization or obligation can be granted or performed only by the Government or when title to property is to be transferred directly to the Government; and (3) where a clause specifies the number of days in which Seller must act, that number shall be reduced by half. Seller shall include any applicable clauses in their subcontracts with lower-tier suppliers to the extent specified in the clauses.

In the event of a conflict between the terms of this Attachment and the terms of the Agreement, the terms of this Attachment shall take precedence.
